## **EMERGENCY ACTION PLANNING**

### **Tracy Public Schools**

#### **Purpose**

The purpose of this program is to provide the needed tools to respond to emergencies that may occur in the school setting. Tracy Public Schools has developed a specific response plan for use to prevent and/or respond to emergencies that could occur. The plan is based on the requirements established by Minnesota Executive Order 93-27 and Model Crisis Management Plan. The plan was developed in coordination and cooperation of community leaders, local units of government, and State of Minnesota agencies.

A copy of the plan may be obtained from **the school principal's and/or district office.**
