## INDOOR AIR QUALITY

### Purpose

The purpose of this program is to provide the needed tools to maintain or restore the air quality of the working and learning environment of school facilities. The step-by-step process includes investigation, response, communication, and training.

### Policy of School

Comfrey Public Schools's Indoor Air Quality Plan is based on the [US EPA's "Tools For Schools" packet](#). This packet is available for review upon request or online at [www.epa.gov/iaq-schools/indoor-air-quality-tools-schools-action-kit](http://www.epa.gov/iaq-schools/indoor-air-quality-tools-schools-action-kit). Please contact the Indoor Air Quality Manager or Advanced Health, Safety and Security for more information.
