INDOOR AIR QUALITY

Purpose

The purpose of this program is to provide the needed tools to maintain or restore the air quality of the working and learning environment of school facilities. The step-by-step process includes investigation, response, communication, and training.

Policy of School

Ellsworth Public Schools's Indoor Air Quality Plan is based on the US EPA's "Tools For Schools" packet. Available online at <https://www.epa.gov/iaq-schools/coordinators-guide-indoor-air-quality> Please contact The Indoor Air Quality Manager, or Advanced Health, Safety and Security for more information.
