INDOOR AIR QUALITY

Purpose

The purpose of this program is to provide the needed tools to maintain or restore the air quality of the working and learning environment of school facilities. The step-by-step process includes investigation, response, communication, and training.

Policy of School

Nicollet Public School’s Indoor Air Quality Plan is based on the US EPA’s “Tools For Schools” packet. This packet is available at <https://www.epa.gov/iaq-schools/coordinators-guide-indoor-air-quality> . Please contact The Indoor Air Quality Contact Person, Barry Gappa or Advanced Health, Safety and Security for more information.
