EMERGENCY ACTION PLANNING

Purpose

The purpose of this program is to provide the needed tools to respond to emergencies that may occur in the school setting. St. Mary's School has developed a specific response plan for use to prevent and/or respond to emergencies that could occur. The plan is based on the requirements established by Minnesota Executive Order 93-27 and Model Crisis Management Plan. The plan was developed in coordination and cooperation of community leaders, local units of government, and State of Minnesota agencies.

A copy of the plan may be obtained from the school principal's and/or district office.
